

Graduate School of Home Economics (MA Courses)
[Architecture & Design Studies]

Subject	*CREDITS*
Thesis Research in Architecture and Design I	4
Thesis Research in Architecture and Design II	4
Thesis Research in Architecture and Design III	6
Advanced theory of Architectural Form I	2
Advanced theory of Architectural Form II	2
Advanced theory of Architectural Space Planning I	2
Advanced theory of Architectural Space Planning II	2
Advanced theory of Structural Design I	2
Advanced theory of Structural Design II	2
Advanced theory of Environmental Design I	2
Advanced theory of Environmental Design II	2
Advanced theory of Urbanscape Design I	2
Advanced theory of Urbanscape Design II	2
Exercises in Advanced Planning and Design for Architecture I	4
Exercises in Advanced Planning and Design for Architecture II	4
Internship in Architecture I	4
Internship in Architecture II	3
Internship in Architecture III	3
Internship in Architecture IV	4
Advanced theory of Communication Design I	2
Advanced theory of Communication Design II	2
Advanced theory of Product Design I	2
Advanced theory of Product Design II	2
Advanced theory of Marketing	2
Advanced theory of Public Design I	2
Advanced theory of Public Design II	2
Advanced theory of Dwelling Use Design I	2
Advanced theory of Dwelling Use Design II	2
Advanced theory of History of Dwelling use I	2
Advanced theory of History of Dwelling use II	2
