Dear Maiko,

How are you? I enjoyed your letter. It sounds like you had a great summer vacation. I really liked the photos of your family's trip in July. You said it was your first time to visit Hokkaido. It looks very beautiful there. I hope I can visit Japan someday.

The school year starts in September in Canada, so I go back to school on September 1<sup>st</sup>. I'll be in the 7<sup>th</sup> grade. Last April, you sent me pictures of your new junior high school. You were wearing uniform. I think it looked very nice. We don't have uniforms at my school. We can wear different clothes every day. I needed some new clothes to wear to school, so my mother took me to a shopping mall yesterday to get some. I got some sweaters and a coat because it is cool here in fall. I got two pairs of jeans, too. I usually wear blue jeans to school.

You said you are in the English club. This year, I'm going to start learning Spanish, so I'm going to join the Spanish club. The club has meets once a week. I like playing tennis, so I thought about joining the tennis team. However, I really want to do well in Spanish class, so I decided to join the Spanish club instead. What kind of activities do you do in your club?

Please write again soon.

Janet
