## [Writing Section]

I want to be a nurse in the future. There are two reasons. First, when I was in the United States, I had to stay in the hospital for a week. The nurses there helped and encouraged me a lot. Second, my mother used to be a nurse. She is always kind to everyone, so I want to be like her. In 2035, I will be a nurse and live happily with my sweet husband and three children.
