I want to give postcards of Mt. Fuji to foreign people. I have two reasons for this.

First, Mt. Fuji is famous as a symbol of Japan, so postcards of Mt. Fuji can bring back good memories for people who visited Japan. Even people who have never been to Japan can enjoy the beauty of Mt. Fuji.

Second, postcards are both easy to carry and useful. For example, people can show them to their family or friends anytime. Also, people can use them to write to someone.

For these reasons, I would like to give postcards of Mt. Fuji to foreign people. (103words)
